Sub: Profile of S&R Consultants

Sir,

We are happy to complete more than 1200 projects in Structural & Geotechnical designing, detailing and Construction management of Industrial, Commercial and residential buildings in the last 20 years since we have started in Kochi, Kerala. India. We are managing more than 50 ongoing projects presently. Geotechnical consulting is provided for about 40 projects per month for the last 12 years.

We are equipped with the latest software in designing, which include STAAD pro & Etabs along with an in house software system (Aadspro) fully integrating AutoCAD, Etabs, STAAD and design modules.

The software system gives us unmatched capability to provide details upto bar bending schedules and even sequencing of bars to reduce wastage. The system is especially useful for cut and bends automation. Please go through the paper on bar bending schedule and resulting advantages. Another unique estimation software integrated with autoCAD is presently available for download and installation from www.aadspro.com. **Some of the modules are sold to L&T EDRC in Chennai, Mumbai and Delhi. Service on BBS is given to many reputed builders in Kerala. Some of the other clients who has purchased are Sobha Developers, Gulfar etc..**

Our fields of interests are,

- Structural designing and detailing
- Construction Management and Training of MTech Students including NITs.
- Geotechnical consultancy and report writing
- Engineering software development. (Presently ERP solution a 6D software for construction management is our focus area)
- Training about 50 Mtech students per year
- Software development

This Structural & Geotechnical design firm is managed by myself. I have about 20 years experience in the field of design with my post graduation from IIT Madras. Design experience includes that of Concrete (cast in situ, precast, prestress) & Steel and detailing. I have worked in Kuwait for about 5 years and experienced in ACI and BS Codes.

Hope the information given, fulfills your requirement, however please contact me in case of further information. With warm regards.

Yours sincerely

Reji Zachariah M.B.A., B.Tech., M.S.

Chief Executive/ Chief Engineer (Mobile 98460 26162)
